

TABLE OF CONTENTS
Chapter 500, Stormwater Management Law

Flowchart of Chapter 500 standards..... i

1. Introduction 1

2. Applicability 1

3. Definitions..... 1

4. Stormwater treatment standards 4

A. Basic standards 4

B. General standards 5

C. Urban impaired stream standards 8

D. Flooding standards 8

E. Easements and covenants 9

5. Other applicable standards..... 10

A. Management of concentrated stormwater discharges 10

B. Discharge to freshwater, coastal wetlands, or small ponds 11

C. Threatened or endangered species..... 11

D. Additional controls 11

E. Authorization for discharges to public storm sewer systems .. 12

6. Compensation fees and elimination or reduction of existing off-site sources..... 12

A. A required to meet BMP standards and the urban impaired stream standard 12

B. A project required to meet BMP standards that is not in an urban impaired stream watershed 14

C. A project in a lake watershed that is required to meet phosphorus standards 14

D. Location..... 15

E. Protection 15

F. Maintenance and transfer 15

7. Stormwater permit by rule (PBR)..... 15

A. When a project qualifies for a stormwater PBR..... 15

B. When a project does not qualify for a stormwater PBR 15

C. Notification 16

D. Stormwater PBR submissions..... 16

E. Discretionary authority 17

8. Submissions and pre-application meetings 17

A. Pre-application meetings for Stormwater Management Law projects 17

B. Design requirements..... 17

C. Basic standards submissions 17

D. General standards submissions 19

E. Flooding standards submissions 22

F. Transfer 22

G. Modification 22

H. Permit extension 22

9. Municipal stormwater management programs.....	22
A. Program approval criteria	23
B. Reinstatement of permit requirement.....	23
10. Conditions of approval	23
A. Standard conditions of approval	23
B. Special conditions	25
11. Recording of order.....	25
12. Severability.....	25
13. Transition	25
14. Permit shield	25
15. Experimental measures	26
16. Modificaton	26
Appendices	27
A. Erosion and sedimentation control	27
B. Inspection and maintenance	30
C. Housekeeping	34
D. Standards for infiltration basins, dry wells and subsurface fluid distribution systems.....	36
E. Stormwater basins and ponds	42
F. Vegetated buffers	46
G. Suggested templates for deed restrictions and conservation easements for use under the Stormwater Management Law..	53
